30 Stevens Lane, The Orchards, Akasia, Pretoria, Gauteng, 0182

A recent graduate of Information Technology with a specialization in Software Development. Skilled in various programming languages and development tools, with hands-on experience gained through academic projects and extracurricular involvement. Eager to apply and expand my skills in a professional environment focused on software design, development, and problem-solving. Actively seeking opportunities to contribute to innovative projects while continuously learning and growing within the tech industry.
